CSA Implementation

CSA Implementation

- We need Standards!

CSA Implementation – Product Certification

- ❑ Let's solve **the current problems** of product certification
 - ❑ Time To Market and Cost
 - ❑ Addressing Low Assurance Market
 - ❑ Certificate Recognition for national Certifications
- ❑ Later... let's create the future
 - ❑ E.g. Secure Development Process or Patching Process Certification

CSA Implementation – Challenges

- Good schemes – Harmonization
- Cybersecurity Certification Worldwide Issue - Recognition
- Regulation and CSA
- Surveillance of Self-Assessment
